SIGN LANGUAGE CLUB

"A Sign"

In the flash of a moment... There was no sound! Everything in the world stopped... and nothing had an effect.

We blew the instrument but no one could hear. We could see the wind blow and disappear.

What in the world can we do just to hear you? What in the world can we say to communicate differently?

I know all is not lost when we look and see at how our hands can communicate our thoughts. Now, if all of this was true the way out of this vision would be a sign between me and you.

Sandra Sign Language Club, Your Words are Our Passion. Join today, all are welcome!

Every Friday from 3 p.m. to 4 p.m.

COMMUNITY ITEMS

The North Regional Library on the corner of Rosehill and McArthur Roads is open for students to check out library books, dvds, and other items. We are open 8:30-4:30, Monday-Friday for curbside service. When you are notified that your materials are ready, you just pick up Monday through Friday 8:30-4:30. We have items in the lobby and you just come to the front door with your library card, and we keep them up front so we can hand them to you quickly. You can also still get a library card if you live in Cumberland County with a photo id that has a birthday and proof of Cumberland County residence. We also have lots of free online databases like Science Online and ebooks from NCKids Digital Library. Cumberland County Public Library has a Facebook page if you want to see when virtual programs are posted as well.
